

UPDATE

Welcome to our latest TSA24 newsletter...

It has been a busy few months at TSA24, particularly for CPD. We continue to support local and regional schools through our CPD offer and have welcomed 309 delegates through 52 courses ranging from TA support to Headspace Sessions for Leadership Teams.

Our focus for next term is to continue on our mission to attract new teachers into the profession by offering our school experience days at three of our alliance schools. We hope to update you in the next newsletter with some success stories.

Thank you to everyone who contributes to our alliance – we wish you a great break!

School Experience

Days

We are thrilled to announce that we are offering 21 school experience days at Southwater Infant Academy, Castlewood Primary School and Trafalgar Infant School. We are delighted to announce that we already have 13 delegates signed up.

These days have been advertised through our alliance schools and we are looking forward to how these days develop into ITT interest. To book visit:

www.getintoteaching.education.gov.uk/school-experience

SLE/School to School Support

Our SLEs continue to support schools across the region and recent feedback from our English SLE showed that, 'the English leader established high expectations in literacy across the school; introducing quality texts and developing learning journeys'. Our EYFS SLE supported a school with intervention and through targeted pupil progress meetings, '75% of the cohort achieved GLD'

Collaborative Working

TSA24 is pleased to announce that we have several working parties underway with other teaching schools in the area. Our Teaching School Managers regularly meet and share best practice with Pavilion & Downs, Sussex Coast, Millais, SCLP and Wolstonbury Alliances.

We value strong collaboration.

Governance Conference

In October, we were delighted to host TSA24's Governance Conference with a focus on 'Improving Outcomes for Disadvantaged Children'. Clare Collins from the NGA delivered a keynote speech on supporting our most vulnerable children and six workshops explored issues ranging from finance to CPD for governors. We received fantastic feedback and plan to launch our second conference early next year. Watch this space!

CPD Opportunities 2019

Schools can now book onto our courses via our website. We have just launched our offer for 2019 where there is a range of opportunities from E-Safety to Coaching for Headteachers. Visit www.tsa24.co.uk

CPD Feedback 2017/18

"A great recap into phonics. Great to come together as a team to ensure consistency"

"Fantastic introduction to coaching that I can apply in line management meetings"

"I've now got a clearer idea of how to implement and enrich our learning environment"
